GENERAL ELECTION  
SPECIAL

on DARLEY  
DALE

Liberal  
Democrats

From Liberal Democrat candidate Robert Court

## On 4<sup>th</sup> July... YOU can make the difference

More and more people are telling us that they are switching from the Conservatives, but don't trust Labour either.

In these last few days of the election, please take a look at the real choices -

✓ A Lib Dem MP who will help provide extra GPs, end 'dentist deserts', and reform social care to relieve the overburdened NHS

✓ A Lib Dem MP who will back the home insulation needed to cut bills, save energy and provide jobs during climate change

✓ A Lib Dem MP who will insist on solar panels being fitted to all new build homes

Or.. parties who sit on their hands and shout slogans at each other.

Robert  
Court -  
on your  
side!

Since 2023 the Lib Dems have led an alliance which took control of Derbyshire Dales District Council from the Tories.

Now, YOU can help elect a Liberal Democrat MP!

**Liberal Democrat Robert Court lives locally and understands the issues facing our community.**

He is committed to being active and visible, working hard to serve everyone in our community. As your MP he will...

- ✓ Vote to turn water companies into public benefit companies, so they have to deal with sewage properly
- ✓ Negotiate with the Peak Park to ensure they take their share of housing numbers
- ✓ Demand the County Council and new 'regional' Mayor deal with the plague of pot holes blighting our roads
- ✓ Work to restore trust in politics after all the damage that has been done in the last few years

**Will you back Robert's Fair Deal for the Dales?**

Your chance to make a positive choice

As the campaign nears its end, leading independent bodies are praising key elements of the Lib Dem manifesto...

- Our prioritisation on personal social care (The King's Fund)
- Build 150,000 social houses (Housing charity 'Crisis')
- Ending disgusting foul water and sewage overflows (i newspaper)

## WORRIED THAT WE 'CAN'T WIN' HERE?

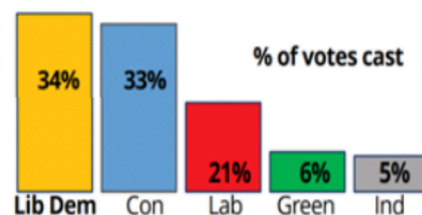

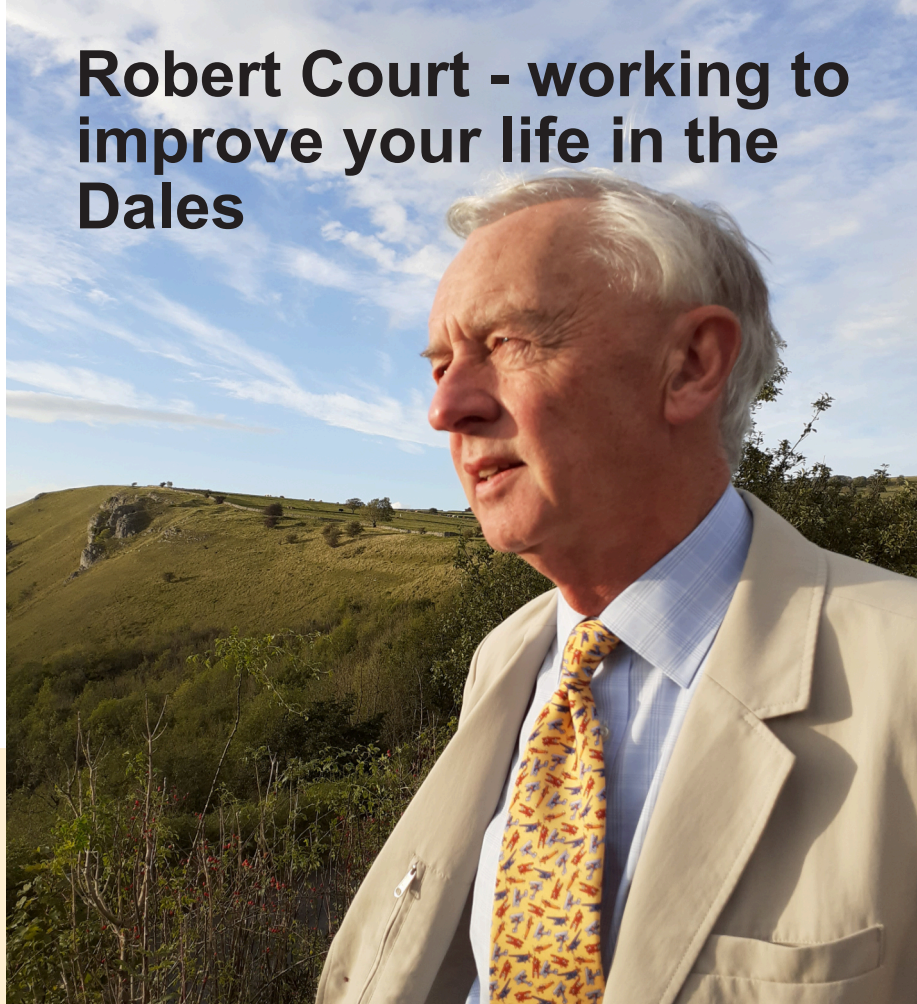

There's lots of misinformation out there, mainly from our opponents in this election, but also from national websites that don't factor in the local situation.

But all the evidence is now pointing to a big surge in support for **Robert Court** and the Liberal Democrats in Derbyshire Dales.

Our polling shows thousands of former Conservative voters are **only** prepared to switch to the Liberal Democrats.

Labour's own national website shows this seat as a 'non battleground' for them, and their outsider candidate has only just been selected.
